

NEW IN VOGUE FOR U

TO WHOMSOEVER IT MAY CONCERN

We, at NVU Retail International Pvt. Ltd., pioneer in bringing International License Brands to India; take this opportunity in welcoming M/S Vasa Retail & Overseas Ltd. (Licensee for University Of Oxford Premium Stationery Products) to showcase their products at our newly launched 5000 SQFT stores at Phoneix Kurla.

We are proud to be associated with the brand of University of Oxford – Stationery & Back to School Products; which creates a unique opportunity to translate the brand into a powerful consumer proposition across the whole range of Office & School Stationery.

This also enables us to add on to the lifestyle brands, imbued with a class of its own and is able to compete with other established premium brands around the world.

We, with open arms, welcome them for all our present and upcoming stores on one-to-one basis.

Our good wishes with them and all our future collaborations.
